

LET'S PRAY FOR THE WORLD!

Cut these cards out and use them as a daily guide to pray for our global partners and the people they serve around the world.

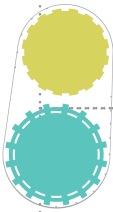

Day one: God, please help all the people that don't know you learn that they are made by You and created to love You. Help me show my friends that they are made by You and You love them. Amen.

Day Two: God, thank you for always being for me. That means you always do what's best for me, even when life is sad. Please be with all the people who have never heard about you. Help them hear how you are for them! Amen.

Day Three: Jesus, thank you for always being with me. Please be with people in the world that don't know you. Please help them know that you are with them always! Amen.

Day Four: God, thank you that you always have a plan, and that Jesus rose again. Please be with all the people in the world that don't know about Jesus. Please help them hear about You! Please help me tell my friends about you, too. Amen.

Day Five: Jesus, thank you for making me with a purpose. Help me use my talents and gifts to praise you and let other people know about you. Amen.
