

Why India?

Apr 23, 2024

While India is home to millions of people who have never heard of Jesus, those who do know Him are eager to proclaim the Good News. They can't wait to share their faith with others, and they're excited to learn how they can do so effectively. That's where our global partner, Mission India, comes in. They are committed to spreading the Gospel in India in three ways: Through children's Bible clubs, adult literacy classes and church planter training.

As they train and equip local Christians to do the work God has called them to do, the results speak for themselves.

- 2 out of every 3 Adult Literacy Classes transition to become churches later on.
- 3 out of every 5 Year-Long Bible Clubs transitions to become a church.
- 80% of Adult Literacy students graduate with a 5th-grade level education.
- On average, over 1/3 of kids who attend a Year-Long Children's Bible Club become followers of Jesus.

Mission India believes their ministry model is best suited to effectively and efficiently proclaim the Good News of Jesus and they'd love to tell you why. (**Click here to see video**).
