

We recently had the pleasure of an in-person visit from Kevin Zwart, who serves with his family in Namibia. For those of you who missed seeing him, he shares a brief update [here](#).

Kevin and Cami encourage mission mobilization efforts as country directors for Namibia and Angola with Africa Inland Mission (AIM). Cami is Editor-in-Chief for AfriGO, a publication that encourages the African church to send, support, and pray for African missionaries. Kevin serves on the Namibia Evangelical Theological Seminary Council and is also actively seeking to mobilize Namibians, Zambians, and Angolians to serve as missionaries on their continent of Africa.

How can we pray for them?

- Let's thank God for Toby's graduation from John Brown University and pray for direction as he considers where to pursue his master's.
- Pray for Cami and Charlie as they stay in Namibia during Kevin's travels and for continued healing following their surgeries.
- Pray for a seamless work permit renewal that will allow them to continue serving in Namibia.
- Pray for Kevin as he finishes organizing and translating material into Portuguese in preparation for teaching a two-week intensive class in Angola later in May and as he makes arrangements to host three short-term teams (including one from Black Rock) this summer.
