

Introducing our 2024 Spotlight Partners

Every year, we highlight the inspiring work of a select group of our Global Partners, sharing their stories a few times throughout the year. This “spotlight” allows us to foster a deeper connection between them and the Black Rock community. You are invited to get to know them over the next few weeks and then watch the story unfold all year long.

Kevin and Cami Zwart serve with Africa Inland Mission (AIM) as country directors for Namibia and Angola. They encourage the mobilization of local mission efforts by networking with indigenous churches. As Editor-in-Chief for AfriGO magazine in English, Swahili, and Portuguese, Cami oversees African staff all over the continent. AfriGO serves to encourage the African church to send, support, and pray for African missionaries.

Summer Trip

A short-term team from Black Rock is heading to Namibia this summer to encourage and support the Zwarts, see their ministry firsthand, and minister to local believers and non-believers alike. As a special highlight, one day will be dedicated to a safari in Etosha National Park to revel in the beauty of God’s creation. If you are interested in going on the trip to Namibia this summer, watch this invitation from team leader Ed Jordan [here](#) then visit our registration page [here](#) to apply.
