Our global partners Kevin and Cami, are one of our Spotlight Partners this year and work in Namibia where we sent a short-term team in June. If you have been watching our current video series on Black Rock Missions Priorities, our Fourth Priority is “equipping global Christians for evangelism and church planting among unreached people groups”. They are engaged in just this sort of mobilization for African churches, from working with Zambian seminary students to hosting an annual missions conference. Kevin further explains their vision as well as sends greetings in this short [video](#).
