

“Look Who’s Back!” - Sue Perkins

Oct 9, 2025

[Watch Sue Perkins' latest update.](#) Sent out from Black Rock and serving in Nigeria, Sue is grateful to be back in Connecticut for a season to reconnect with her church family.

Her message is full of joy and gratitude, along with honest reflections on the challenges of life in Nigeria—flooded roads during rainy season, long months of drought, and ongoing violence that touches countless families. But rather than discourage her, these trials strengthen Sue’s resolve to share the hope of Jesus where darkness runs deep. Through the Leah Foundation, Sue walks alongside people emerging from addiction and brokenness, helping them discover the joy of living with Christ.

She expresses her gratitude to Black Rock for faithfully praying and supporting her ministry and invites us to keep lifting up Nigeria before the Father, asking for renewed hope and for the gospel to spread.
