MISSIONS AT BLACK ROCK IS ROOTED IN OUR CALLING TO
MATTHEW 28:19 TO,

*“Go and make
disciples of all nations.”*

We understand this as Jesus’ command to us to share the love of Jesus with the more than two billion people who have never heard the gospel. If Black Rock is your home church, we encourage you to make a Missions Commitment.

Chikondi

Chikondi

inspires children and families with stories that nurture godly character, hope, and faith in Christ. Reaching nearly one million viewers across 45 countries in five languages, each episode blends Bible stories, music, prayer, and life lessons that plant seeds of faith in young hearts.

John & Susan

serve with an Arabic evangelism and church-planting network across the Middle East and North Africa. Their 150+ workers have helped lead thousands to Christ and launch hundreds of house churches, strengthening leadership and fueling growth for lasting Kingdom impact.

Ed & Ximena Jordan

faithfully answered God's call to leave the U.S. and serve Him in global missions. At Rift Valley Academy, they invest deeply in students' spiritual, emotional, and academic growth. As dorm parents and educators, they disciple young men during formative years.

Living Water Int'l

works to end the global water crisis through programs rooted in care for the whole person. Believing true transformation comes through Jesus, they bring lasting hope and healing to communities in need. Black Rock partners with their work in South Asia.

THIS YEAR'S BUDGET GOAL

\$1,400,000

June 1, 2026 - May 31, 2027

We consider it a privilege to financially support our Global Partners as they sacrifice so much in order to share the gospel and make disciples of all nations. One way you can be involved in missions is by making a faith-based financial pledge toward this effort and trust that God will help you fulfill it.

A Few BRC Missions Initiatives:

1

Through partnership with **Arabs for the Arabs**, Black Rock is directly funding the training of indigenous believers from Muslim backgrounds to evangelize, disciple, and plant churches in the Middle East. This three-year initiative aims to equip 20-24 local church planters, with the goal that at least 30% will actively plant churches.

2

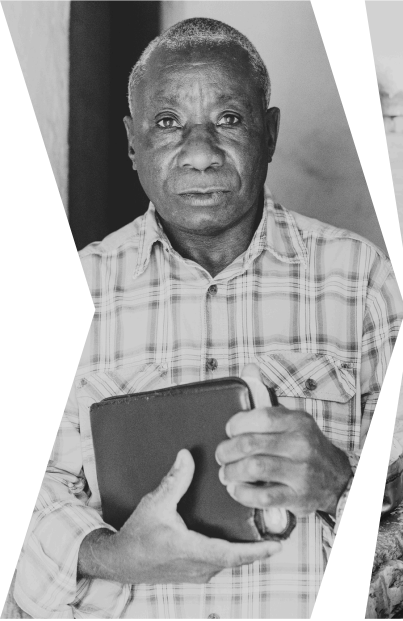

Through partnership with **Mission of Hope (MOH)**, Black Rock is helping support local churches across the Dominican Republic as they meet urgent physical needs while sharing the hope of the gospel. MOH partners with local churches to provide food, medical care, education, discipleship, and leadership training, strengthening churches to care for families, invest in the next generation, and point communities toward lasting hope in Christ.

3

Through partnership with **Transform Iran**, our church is directly funding the training and support of underground church leaders inside Iran. This initiative covers a hands-on training event for Iranian pastors, ongoing pastoral oversight, practical support that relieves economic pressure on church leaders, and outreach resources that allow new house churches to demonstrate the gospel through tangible care for those in need.
